<p><b>1. Which people were used the greatest in the Bible?</b>                  (1) Pastoral ministers must do the work of helping believers have mutual communication with God.                  ① Paul's epistles (Php 1:3-4)                  ② Peter's epistles (1Pe 2:9)                  ③ John's epistles (3Jn 1:2)                  (2) Church layleaders is the person that helps all the believers have mutual communication.                  ① Ex 3:16 ② Jos 3:1-3 ③ Ac 1:14                  (3) The people who were used the greatest were the people of mutual communication.                  ① Tychicus (Col 4:7, Eph 6:21)                  ② Timothy (1Ti 1:8)                  ③ Titus (2Co 2:13, 2Co 12:18)                  ④ Epaphras (Phm 1:23)                  ⑤ Stephanas, Fortunatus, Achaicus (1Co 16:18)</p> <p><b>2. Secretaries and office clerks have an important ministry.</b>                  (1) Safeguard, management, mutual communication                  (2) Can do world evangelization through their work.                  (3) Leave behind a life log.                  (4) Run the errand for internal change                  (5) Succeed with "yourself"</p> <p><b>3. The Evangelism Alliance must take on the role of the secretary to the world.</b>                  (1) Mutual communication with the entire world                  (2) Cultural mutual communication                  (3) Financial mutual communication</p>	<p>◆ <b>Introduction</b>                  ► Great works arise when you listen carefully to the Word of God. The Gentile elder Jethro heard the Word of God. If you truly realize the Gospel, there is nothing to fear. Why is this? This is because the forces of darkness crumble down and all fear flees</p> <p>◆ <b>Main discourse</b>  <b>1. If you realize the Gospel, all fear disappears and you will come to realize the grace of God. Then, you will also tell other people</b>                  (1) An elder of the Gentile religion heard the Gospel and saved a man on the run. This became the event that would remain eternally, the event that would change the world.                  (2) Jethro took Moses as his son-in-law.                  (3) He then entrusted his possessions and even his flocks to Moses.                  ► If you realize the Gospel, you realize the grace of God and you are able to see grace. There is no way for us to solve the problem of fate, spiritual problems, and Satan. However, God sent Christ to solve all problems. That is grace.  <b>2. If you realize the Gospel and enjoy it, you can see God's work and God's plan.</b>                  (1) The first day that Jethro heard Moses' life confession, he took him as his son-in-law.                  (2) Exodus 18:1, He spoke about the works of the exodus. At this, Jethro brought his entire family to Moses. Together with his family, he gave the burnt offering unto God                  (3) He spoke about a great wisdom. He said that it is not good to do this work alone, so do it together. We must pray so that we can have good spiritual mutual communication between elders and pastors and other people. If you don't know how to communicate, you cannot succeed or conquer the world.  <b>3. If you really realize the Gospel, you can give all people with whom you meet the answer.</b>                  ► If you realize the Gospel correctly, you can see God's grace, and you can see God's plan. From this point on, you can give the answer. This is the way for us to save the world.                  ► Elder Jethro comes and gives the answer to Moses, the historic leader. He tells him not to work alone but to raise men as officials over thousands, hundreds, fifties, and tens.                  (1) Raise capable men (skilled and virtuous), men who have faith, and trustworthy men. Raise people with skills and people of prayer. Raise people with spiritual eyes and intellect.                  (2) Raise people who fear God.                  (3) Do not raise men who love dishonest gain.                  ► If you raise people like this, you will more than conquer Canaan land. On the path that you take to save people, God will absolutely work. If it is surely the plan of God, there is no need to fear suffering or death.</p> <p>◆ <b>Conclusion</b>                  ► The blessings that Elder Jethro received--the true grace of God, the plan of God within the Gospel, the power of the Gospel that you can give and receive from other people. From that point on, the Word will hit against your heart. Begin anew. Starting today, God's evidence in the field and a greater victory will come.</p>	<p>◆ <b>Introduction</b>                  ► Many people think of Caleb as a hidden worker, but it wasn't just that. Caleb was a person who enjoyed personal answers 24 hours a day. As we live our walk of faith, the one thing that we must keep in mind is that trying to be the head of everything and always shying away is the same problem.                  (1) Assurance- He had assurance that God was with him.                  (2) Power- That is why he had the power of God that other people hadn't even seen.                  (3) Covenant- In today's passage, Caleb doesn't speak about his faith; he speaks about the covenant.                  ► What do those who have the covenant see?</p> <p>◆ <b>Main discourse</b>  <b>1. Those who have the covenant can see the fulfillment of the Word.</b>                  ► Starting now, begin personal prayer. Just do it a little bit.                  (1) 7 Remnants- More than saying that the 7 Remnants were strong people or had great faith, they were able to take the path that they did because they saw the sure fulfillment of the Word.                  (2) Hebrews 11:38, They are people that the world was not worthy of.  <b>2. Those who have the covenant see true answers.</b>                  (1) Caleb served as the hands and feet of Moses (Numbers 14:1-10).                  (2) After Moses died, he served as Joshua's hands and feet (Joshua 1:17-18).                  (3) He stood as the main figure during times of crises.                  1) He came out as a main figure in Kadesh Bamea with Joshua.                  2) He stood as the main figure in the hill country of Anak where giants lived.                  3) He instructed his son-in-law, Othniel, to conquer Canaan land and Othniel became the first judge.                  ► If you use the church or try to use the truth for your own personal gain, your children will face hardships.  <b>3. You will be able to see the unchanging method of God.</b>                  (1) God's method is the realization of three contents.                  ► Acts 1:1 Passover, Acts 2:1 Pentecost, Acts 3:1 Ingathering. The truth does not change, and life does not change. Spiritual problems do not change.                  (2) Realization of 3 systems- what has been hidden for long ages past (churches must create a true evangelism system), now revealed and made known (church lay leader system), forever and ever (Remnant movement).                  (3) It is the realization of 24-hour answers.</p> <p>◆ <b>Conclusion= God has given us a weapon (prayer)</b>                  ► Prayer is the weapon to bring mutual communication to the heavens and the earth and the weapon to move spiritual beings. It is like a spiritual nuclear weapon.                  (1) Sunday worship time- Know the reason for praise, and sing praises and listen to the Word. Give your offering as you think about your children.(2) Find this answer for the next six days.                  (3) Find the answers of uniqueness that God has prepared for the individual. Spiritual problems factually become the platform for great answers.                  ► I bless you that the blessings of God may come upon you 24 hours a day.</p>	<p><b>1. Start</b>                  1) Integrity (Begin correctly)                  2) Fact (My lot)                  3) Foundation (The bottom)</p> <p><b>2. Contents</b>                  1) Ac 1:1                  2) Ac 1:3                  3) Ac 2:42</p> <p><b>3. Healing</b>                  1) Ac 1:14                  2) Ac 2:1                  3) Ac 2:42</p>

### (2) 1<sup>st</sup> Pulpit (January 1<sup>st</sup>)→ Start of Moses' Life (Exodus 3:1-12)

► Help me be the person who will relay the Gospel that you most desire and the person who will save the people who are suffering. Let me take off my sandals as I hear your voice and stand in front of all you have prepared and called. Let me hold onto the covenant of Christ of Exodus 3:18, in which you have saved me from Satan, curses, and disasters. Help me to hold onto the sure evidences you give me as much as I am able to stake my life, and let me make resolutions to receive the start of the greatest answer. In the name of Jesus Christ I pray. Amen.

### (3) 2<sup>nd</sup> Pulpit (January 1<sup>st</sup>)→ Start of Joshua's Commission (Joshua 1:1-9)

► Every day, as I hold onto the word and meditation, help me to see the works of faith of the Exodus, miracles of the wilderness, and Kadesh Barnea. And help me to enjoy victory as I look at the already given answers of a witness, the lifelong time schedule, and the field time schedule. Help me to enjoy the answers of the Jordan splitting, the Jericho walls crumbling, and the never seen before or after answers that come to the witnesses who have the word imprinted in them. Through the lifestyle of the witness, let the works that never arose in the family line arise and let the works of God arise in other peoples' lives.

In the name of Jesus Christ I pray. Amen.

### (4) Business Message (June 7<sup>th</sup>)→ Realization of the Life of the Evangelist (1)- All Evangelists Must Become the Secretaries of Mutual Communication (Colossians 4:7)

- ① The people who were able to bring mutual communication were the individuals used the most in the Bible (Colossians 4:7)
- ② Before safeguarding, managing, and communicating, secretaries and office clerks must receive grace first. If you are able to do this, world evangelization will arise, your own life's record will come out, and internal changes will arise through small errands. Therefore, the first thing you must do is bring success to yourself.
- ③ The individual who is partaking in the role of a secretary in the evangelism alliance is able to bring the whole world into mutual communication, the culture into mutual communication, and financial mutual communication even before he or she tries to raise money.
- ④ Conclusion-I hope this year will be the year of spiritual mutual communication for you. In order for this to take place, you personally must have mutual communication regarding yourself, you must think about today's scenario while praying to see the mutual communication arise, and you will then be able to save many people.

### (5) Study of Evangelism (January 7<sup>th</sup>)→ Question of the Evangelist (1)- When works do not arise because of my old spiritual problems, what must I do? (2 Timothy 1:4-5)

► Keep in mind-people who can study well make only 10% of the population while the remaining 90% find it difficult to study. If this is the case, you must be able to enter into this 10%, then 1%, and eventually into uniqueness. That is why Jewish people say to enter into a different area of profession if they cannot enter into the 10%.

- ① How must you start?-sincerity (start properly with your forte), facts (don't be deceived by the foam but start with the level at you're at), basics (start from the lowest place. Then fruits will be born)
- ② Content-our content will always be Christ (Acts 1:1), our method is the time schedule of the fulfillment of the Kingdom of God (Acts 1:3), and we are not able to save the world with our strength, but we are able to with the working of the Holy Spirit (Acts 1:8)
- ③ Healing- start prayer while knowing your situation. The doors of answers will open when you start concentrated prayer (Acts 1:14), and this will absolutely continue in your field (Acts 2:42)
- ④ Conclusion-the church atmosphere will be revived and church revival and growth will take place when the word mutual communication takes place. And because people have their own pros and cons, we must be able to lift up their pros and make them take part of this Gospel movement. Then when fruits begin to bear, everything in all aspects will start changing. And while keeping in mind the spiritual problems that everyone has, you must be able to give the correct message and help.

### (6) Core Message (January 7<sup>th</sup>)→ Realization of the Life of the Evangelist (1)- Start of Exodus (Exodus 3:10-20)

► Look at the three types of happiness in the New Year's message. Acts 1:1, relay the fact that Jesus is the Christ. Acts 2:1, bring to realization the works of the Pentecost through prayer. Acts 3:1, save this age and field.

- ① When you hold onto this covenant (Acts 1:1, 2:1, 3:1→ Exodus 3:18), you will discover God's plan and discover amazing works. Therefore, relay Exodus 3:16 to all people.
- ② You will see God's answers from this point (Exodus 5:1-12:46, Exodus 14:1-13, Exodus 14:19, Exodus 23:14-17)
- ③ You will know God's method (1 Peter 2:9 Blood covenant-blessing of the priest, the working of the Holy Spirit, the blessing of the three feasts (Acts 1:1, 2:1, 3:1)).
- ④ Conclusion-you will see three results at this point (Romans 16:25 hidden thing-Gospel, Romans 16:26 church lay leaders, Romans 16:27 Remnants). Receive this answer starting today in all fields, all people, and all things.

### (7) Regional Message (December 31<sup>st</sup>)→ Evangelists and the Gospel (1)- Everything is Inside One Thing (Matthew 24:1-14)
