

Weekly Message Flow (2012.1.15.-1.21.)

“Realization of the Life of the Evangelist of the Age of the RUTC-Cultural Conquest (Acts 1:1, 2:1, 3:1),
Field Realization (Romans 16:25, 26, 27)”

(1) 1st Pulpit (January 15th)→ My Today and the Start of Tomorrow (Numbers 14:1-10)

► May I daily question what the plan of God is in every situation so I can see God’s plan.

Through prayer, help me to enjoy the mystery of the Exodus (mystery of the Gospel) first so I can continue to discover the plan of God.

Within God’s plan, help me to know that the sufferings of my past are my benefits and the hardships of my today are my testimonies, and help me to continuously enjoy the blessing of the land of Canaan while holding onto my future.

Help me see God’s plan through my spiritual state, spiritual fulfillment, and spiritual mutual communication, and help me become the witness who will enjoy this blessing. In the name of Jesus Christ I pray. Amen.

(2) 2nd Pulpit (January 15th)→ Cross the Jordan (Joshua 3:1-13)

► Help me experience the power of God so the things that have been imprinted, addicted, and made into my nature in my brain, thoughts, and body can be changed.

Help me know the reason why God gave the Gospel first.

So let my faith and grace of the Exodus be restored and help me leave behind evidence for the future descendants.

Help me strongly hold onto the eternal blessings (Passover, Pentecost, and Ingathering) that God has given.

Help me enter into the 24 hour prayer of crossing the Jordan.

In the name of Jesus Christ I pray. Amen.

Then when you come to give worship, the answer will come while you are listening to the word. This is the **spiritual fulfillment**. And while you meet people, do work, and raise money, you will gain the strength that God gives and discover the precious plan of God once again. This is **spiritual mutual communication**.

④ Do not be deceived and carefully hear the sound of people, the field, and your own self.

⑤ Conclusion-Make three masterpieces (masterpiece of enjoying yourself-specialty, masterpiece of relaying your academics-specialization, masterpiece of enjoying your faith- gospelization)

You must also change the things that have been imprinted, the things that they are addicted to, and their nature by the Gospel and word. Then the disciples will come out. Teach the disciples 5 prayers (meditation, scheduled, concentrated, continuous, and 24 hour prayer) and the filling of the Holy Spirit, and have them always stay on the summit.

③ Conclusion-Our method is only the disciple movement. The time schedule of God will absolutely come. Find what only you can do.
